**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont make changes that have brought Sonic to my neighborhood for internet service. I have better services now at rates i can afford.

I am a consumer that supports broadband competition. I believe it will lead to better products and services for all.

Before Sonic, it would often take me more than twice the amount of time to do my job. I depend on the internet which has allowed me to telework and be productive despite a disabling medical condition.

Sonics fiber network is far superior to the DSL service i previously had. Please dont punish me with rate hikes.
